INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

SEPTEMBER 16 - 30, 2004

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **September 16 through September 30, 2004**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **October 15, 2004**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address:	Southern California Association of Governments Intergovernmental Review Section 818 West Seventh Street, 12 th Floor Los Angeles, CA 90017-3435
Telephone:	(213) 236-1800
Fax:	(213) 236-1963

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

ANNOUNCEMENT

The IGR Section has a web page. The IGR web page includes staff prepared publications describing items and projects received by the IGR Section, and other web sites that may be useful to persons seeking information about how to comply with CEQA and the CEQA Guidelines. For more information, please visit SCAG's IGR web page at www.scag.ca.gov/igr.

Documents Received: September 16, 2004

SCAG ID. No.: I20040626
Document Type: EIR
Project Title: Mojave Water Agency 2004 Regional Water Management Plan
Reg. Significance: Yes
Lead Agency: Mojave Water Agency
City/County/Subregion: County of San Bernardino/San Bernardino/San Bernardino
Contact: Norman Caouette - (760) 946-7009
Comment Due Date: 11/4/2004

Project Description: The Mojave Water Agency (MWA) has prepared a Draft Program Environmental Impact Report (PEIR), for the 2004 Regional Water Management Plan (RWMP) pursuant to the California Environmental Quality Act (CEQA). The RWMP replaces the previous RWMP completed in 1994. The RWMP evaluates water demand and supplies throughout the MWA service area and proposes projects and management actions to meet future water supply needs equitably while protecting the groundwater resource. The MWA service area covers over 4,900 square miles within the western San Bernardino County border by Los Angeles and Kern Counties to the west and national forest land in the San Bernardino Mountains and Riverside County to the south.

SCAG ID. No.: I20040627
Document Type: NEG
Project Title: Compton Redevelopment Project, Amendment No. 1
Reg. Significance: No
Lead Agency: City of Compton
City/County/Subregion: Compton/Los Angeles/Gateway Cities
Contact: Gloria Falls - (310) 605-5511
Comment Due Date: 10/16/2004

Project Description: The project involves the adoption of Amendment No. 1 to the existing Redevelopment Plan for the Compton Redevelopment Project. This action will re-establish the Compton Redevelopment Agency's authority to commence eminent domain proceedings on properties within the Project Area for a 12-year term. Amendment No. 1 will not alter the boundaries of the Project Area. Although no development or construction is proposed at this time, the continued implementation of the Redevelopment Plan is expected to facilitate commercial, industrial/manufacturing public, and residential development in the Project Area in conformance with the Compton General Plan, to address various environmental issues, and to mitigate existing public infrastructure system deficiencies. The primary purpose of the Redevelopment Plan continues to be the elimination of physical and economic blighting conditions that hinder the full development of the Project Area.

The Project Area is located in the City of Compton, in the western portion of Los Angeles County, approximately 10 miles south of downtown Los Angeles.

SCAG ID. No.: I20040628
Document Type: NEG
Project Title: Bel-Art Waste Transfer Station--Solid Waste Facility Permit Revision
Reg. Significance: No
Lead Agency: County of Los Angeles Department of Health Services
City/County/Subregion: Long Beach/Los Angeles/Gateway Cities
Contact: Richard Wagener - (626) 430-5540
Comment Due Date: 10/15/2004

Project Description: Bel-Art Waste Transfer Station (Bel-Art) is located at 2501 E.68th Street in the City of Long Beach, County of Los Angeles. The operator of Bel-Art, Republic Industries, has applied for a revision of the Solid Waste Facility Permit to allow an increase in the amount of material delivered to the facility from the current legal maximum of 1,500 tons per day to 4,000 tons per day.

Project Title: LAFCO No. 2004-26-3
Reg. Significance: No
Lead Agency: Forecast Homes
City/County/Subregion: County of Riverside/Riverside/Coachella Valley
Contact: Steven J. Ford - (909) 483-7320
Comment Due Date: 10/12/2004

Project Description: Proposal: To annex Street Lighting. Street Sweeping, Parks and Recreation services.

General Location: Generally described as being north of Garbani Road, east of Bell Mountain Road, west of Melmore Road and south of Holland Road. See Thomas bros. Riverside County 2004 Map Book page 868.

SCAG ID. No.: I20040630
Document Type: NEG
Project Title: Zone Change No. 1-04 ZC and General Plan Amendment No. 1-04 GPA
Reg. Significance: No
Lead Agency: City of Irwindale
City/County/Subregion: Irwindale/Los Angeles/San Gabriel Valley
Contact: (Irwindale) Paula Kelly - (626) 430-2207
Comment Due Date: 10/6/2004

Project Description: The proposed project consists of changing the zoning classification of a vacant lot at 15744 Arrow Highway from M-2 to C-2; and changing the General Plan land use classification from Industrial to Commercial. The subject property is approximately 2.5 acres and was formerly developed with a factory that manufactured caskets. By changing the current zoning designation and general plan land use designation to Commercial, it is the City's desire to preclude land use incompatibilities from occurring with the adjacent commercial uses. The project is located at 15744, 15600 and 15700 Arrow Highway, Irwindale, CA.

SCAG ID. No.: I20040631
Document Type: NEG
Project Title: Site Plan and Design Review (DA) No. 1-04 SP&DR; Modification 3-04 to Conditional Use Permit 70-03
Reg. Significance: No
Lead Agency: City of Irwindale
City/County/Subregion: Irwindale/Los Angeles/San Gabriel Valley
Contact: (Irwindale) Paula Kelly - (626) 430-2207
Comment Due Date: 10/6/2004

Project Description: The project consists of a request for Site Plan & Design Review and a Modification to Conditional Use Permit 70-03 to allow the construction and operation of a 990 square foot self-serve car wash addition and a 260 square foot office/storage room addition to an existing 3,075 square foot mini mart and gas station. The project is located at 16000 East Foothill Boulevard, Irwindale, CA.

SCAG ID. No.: I20040632
Document Type: NEG
Project Title: Santa Ana River Bike Trail through the Hidden Valley Wildlife Area
Reg. Significance: No
Lead Agency: Riverside County Regional Park and Open-Space District
City/County/Subregion: Riverside/Riverside/Western Riverside
Contact: Kim Jarrell Johnson - (951) 955-6515
Comment Due Date: 10/15/2004

Project Description: The proposed project is 4.5 mile paved and decomposed granite bike trail through the Hidden Valley Wildlife Area along the west side of the Santa Ana River; 24' Center; install six stall prefabricated, plumbed bathroom and septic system located at the parking lot/trailhead east of the nature center; picnic area/interpretive site with boardwalk and observation blind. The project is located along the Santa Ana River in the City of Riverside, north of Arlington Avenue, east of Tyler Street, and west of La Sierra Avenue.

Reg. Significance: No
Lead Agency: Val Verde Unified School District
City/County/Subregion: Perris/Riverside/Western Riverside
Contact: Sandee Hackett - (909) 940-6100
Comment Due Date: 10/19/2004

Project Description: The primary objective of the proposed project is to provide permanent school facilities necessary to support existing and anticipated student demand within the Val Verde Unified School District. Facilities realized from the proposed Elementary School construction will be provided consistent with the District's Comprehensive Master Plan and Facilities Finance Plan.

If approved, the Elementary School will accommodate approximately 650 students in grades K-5, and employ approximately 28 teachers and support staff at the school. The proposed project involves construction of classrooms, a multi-use building, administrative offices, a food service area, and hardcourt and turf areas.

The project site is located within the Val Verde Unified School District, in the City of Perris, in western Riverside County. Specifically, the project site is located between Valencia Street and Orange Avenue, just east of Redlands Avenue.

Project Title: Sierra Lakes Specific Plan Amendment No. 5 EIR
Reg. Significance: No
Lead Agency: City of Fontana
City/County/Subregion: Fontana/San Bernardino/San Bernardino
Contact: Orlando Hernandez - (909) 350-6602
Comment Due Date: 10/21/2004

Project Description: The proposed Sierra Lakes Specific Plan Amendment includes changing the land use from Recreation Facilities (P-R) to General Commercial (C-3) and adding approximately 2.8 acres of land to the Specific Plan area. The 2.8-acre site is located immediately south of the Sierra Lakes Specific Plan boundary west of Citrus Avenue.

The project also proposes the construction of approximately 150,000 square feet of floor area and construction of five pads totaling 23,000 square feet of a proposed Home Depot and associated retail uses including a gas station on 14 acres. The

project also involves the removal of an existing community center and a day care center currently located on the site. The community center is proposed to be relocated to a site at Summit Avenue and Lytle Creek Road in the northern part of the City of Fontana.

Contact: **Dianna Martinez-Lilly - (619) 220-5300**
Comment Due Date: **10/22/2004**

Project Description: The Department's General Plan Unit, in conjunction with its Angeles District office, is in the process developing a new General Plan for the State Park at Taylor Yard in accordance with Public Resources Code 5002.2 referencing General Plan guidelines and 21000 et seq. concerning the California Environmental Quality Act (CEQA). The purpose of the General Plan is to guide future development activities and management objectives at the Park. Preparation of the General Plan is in its early stages, so ultimate land use and resources management provisions have not yet been determined. The General Plan will guide the future management of the 37-acre State Park (17 acres on Parcel G-1 and 20 acres on Parcel D). The General Plan will not cover the remaining 20 acres on Parcel D that have been leased to the City of Los Angeles to develop and manage active recreational facilities, including active playing fields and courts for baseball, soccer, football, track and field, tennis, and basketball, as well as children's play areas, restrooms, and maintenance facilities. The project is located in Cypress Park north of downtown Los Angeles in the City of Los Angeles, Los Angeles County.

Lead Agency: Orange County Sanitation District
City/County/Subregion: Brea/Orange/Orange County
Contact: Jim Herberg - (714) 962-2411
Comment Due Date: 10/22/2004

Project Description: The Orange County Sanitation District (OCSD) is proposing to install a gravity sewer pipeline, which would extend from an existing OCSD pump station near Carbon Canyon Road (within Carbon Canyon Regional Park) to an existing OCSD sewer pipeline within the Rose Drive right-of-way.

The proposed pipeline project would be located in the northeastern portion of the County of Orange, which is in the eastern portion of the City of Brea and the western portion of the Carbon Canyon Specific Plan area. The northern extent of the proposed pipeline would begin within Carbon Canyon Regional Park, approximately 425 feet south of Carbon Canyon Road (State Route 42) and about 1/2 mile east of the Carbon Canyon Road/South Valencia Avenue intersection.

Project Description: Boeing Realty Corporation (Boeing), the project Applicant, has proposed PacifiCenter @ Long Beach, which will result in the development of approximately 261 acres of former and existing Boeing C-1 aircraft production facilities located within the Cities of Long Beach and Lakewood. Implementation of the PacifiCenter project will provide for the replacement of over five million square feet of research and development (R&D), office, warehousing, manufacturing, and other aviation-related floor area previously occupied on the project site with new R&D, light industrial, office, retail, hotel, residential, aviation-related, and ancillary uses.

The project site is located approximately 5 miles northeast of downtown Long Beach and immediately north of the Long Beach Municipal Airport (Airport). The majority of the site (approximately 238 acres) is located within the City of Long Beach, while the remaining portion of the site (approximately 23 acres) is located within the City of Lakewood.

Project Title: Hemet High School Stadium Complex - FEIR
Reg. Significance: No
Lead Agency: Hemet Unified School District
City/County/Subregion: Hemet/Riverside/Western Riverside
Contact: Sandra Packham - (909) 765-5100
Comment Due Date: N/A

Project Description: The Hemet Unified School District (District or HUSD) proposes to develop a new athletic stadium complex. The proposed stadium complex would be developed on a vacant 16.5-acre site and would include three basic on-site components, each with its own ancillary features: a 5,000-person capacity athletic stadium; dual soccer fields; and parking for approximately 550 vehicles.

Project Title: Tehachapi East Afterbay Project (DEIR)
Reg. Significance: No
Lead Agency: Department of Water Resources, So. District
City/County/Subregion: /Not Applicable/
Contact: Mary M. Miller - (818) 543-4698
Comment Due Date: 11/10/2004

Project Description: The Tehachapi East Afterbay project would provide additional storage to the existing Tehachapi Afterbay, thereby allowing pumping operations of the Valley String Pumping Plants, specifically Buena Vista, Teerink, Chrisman, and Edmonston Pumping Plants, to be shifted from peak periods to off-peak period, resulting in operational cost savings and more stable energy use statewide.

The California Department of Water Resources proposes to construct a new afterbay facility near the bifurcation of the East Branch and West Branch of the California Aqueduct in southern Kern County, nine miles east of Gorman, California.

Project Title: Sultana-Cypress Storm Drain Phase II
Reg. Significance: No
Lead Agency: San Bernardino County Flood Control District
City/County/Subregion: County of San Bernardino/San Bernardino/San Bernardino
Contact: Frank Molina - (909) 387-8113
Comment Due Date: 10/27/2004

Project Description: The Sultana-Cypress Storm Drain is presently a trapezoidal concrete channel and Sultana Avenue is a two-lane paved street bordered by residential housing. The Project consists of installing a 12' wide by 5' high reinforced concrete box (RCB) storm drain underneath Sultana Avenue along the center line and connecting it to the Sultana-Cypress Storm Drain, an existing underground facility that will be enlarged into an underground 10' wide by 7' high RCB.

The Sultana-Cypress Storm Drain is located in the City of Ontario, in western San Bernardino County. This man-made storm drain was constructed from Walnut Avenue to Cypress Channel to convey overland flows when the area was developed.

City/County/Subregion: County of Orange/Orange/Orange County
Contact: Charles M. Shoemaker - (714) 834-2166
Comment Due Date: 11/12/2004

Project Description: The proposed project site consists of 210 acres, of which 57.15 acres will be devoted to the camp facilities, and the remaining 152.85 acres will be left as open space. The proposed camp will be accessed through the main gate to Irvine Regional park and on existing park roads. The proposed project is located adjacent to the Irvine Ranch Land Reserve (IRLR) and Irvine Regional Park in unincorporated Orange County.

Project Title: South Gate Educational Center Master Plan
Reg. Significance: No
Lead Agency: Los Angeles Community College District
City/County/Subregion: South Gate/Los Angeles/Gateway Cities
Contact: Larry Eisenberg -
Comment Due Date: 10/11/2004

Project Description: An Educational and Space Needs Analysis was conducted for the District in August 2004 to assess the facilities needs of the proposed South Gate Educational Center. The analysis for the proposed new site was developed with the intent of providing a full service college curriculum including transfer and vocational curriculum, degree programs, certificate program, and skill set certificates. The space needs were based on a projected maximum student enrollment of 12,000 students.

A total of approximately 403,000 gross square feet is proposed to accommodate administrative, academic and support facilities. An additional approximately 133,000 square feet is proposed to accommodate exterior space requirements for an athletic field, campus children's center and plant facilities yard. Finally, 400 units of student housing and approximately 325,000 square foot of retail space are proposed for the project site.

The project site is located at Atlantic Avenue and Firestone Boulevard (4635 Firestone Boulevard) in an industrial area in the City of South Gate.

Comment Due Date: 10/26/2004

Project Description: The Arizona Department of Transportation (ADOT) is proposing to widen SR 188 from 2 to 4 lanes from milepost (MP) 214.94 to MP 218.80. The improvements are needed to improve the operational and safety problems on this route to accommodate the increase in future traffic volumes. The transportation project is located on SR 188 from milepost (MP) 214.98 to MP 218.80. The beginning of the project is at the junction of SR 188 and US 60 in Claypool, Gila County, Arizona.
